Tips to the Parents-

The following are the simple ways to handle indiscipline or misbehaviour at home;

- Make mandatory rules of conduct at home. Make sure that you along with other members will follow them strictly to set an example for younger ones.
- Teach and do good deeds. In this way your child will repetitively involve in good works, making it a good habit.
- Trust your child no matter how little a thing. It will help to build a better bond with him. Your child always will be in an open relationship with you.
- Make sure you reward your child for every good work he does, whether verbally or materialistically. This will encourage him to indulge in some constructive work.
- Physical or verbal violence will only build gaps between you and your children. Once built, they are too hard to be broken down because it will fill your child with fear and resentment. Bridge the gaps with better communication. Sometimes patience overcomes big hurdles.
- Grow up along with your child; know your child's need.
- Teach them values of life. These are better learnt at the tender age. Little valuable things like showing respect for elders, greeting with a smile, being courteous and polite, talking in a gentle way are personality traits.

आम की कहानी
कक्षा— पहली

एक पेड़ पर आम लगा था। उसे एक लड़की ने देखा और एक कौए ने भी देखा। लड़की अपने भाई को बुलाकर आम दिखाने लगी। भाई के पास गुलेल थी। उसने आम तोड़ने के लिए निशाना लगाया। आम तो टूटा, पर कौए ने लपक लिया। कौआ आम लेकर उड़ा, पर मधुमक्खियों के छत्ते से जा टकराया। मधुमक्खियाँ उसे काटने लगीं और आम उसकी चोंच से छूटकर उसके ही घोंसले में जा गिरा। घोंसले में आम देखकर गिलहरियों के मुँह में पानी आ गया। एक गिलहरी आम उठाने गई, तो अंडे फूट गए। कौए के नन्हे —नन्हे बच्चे अंडे से बाहर आ गए और शोर मचाने लगे। गिलहरी डर गई और आम उसके पंजों से छूट गया। आम पेड़ के नीचे बैठे आदमी की पगड़ी पर जा गिरा। लड़की ने आम उठा लिया। भाई और बहन दोनों खुश हो गए।
